

S-TRO

HORMONE SUPPORT

KEY BENEFITS

- Encourages positive endocrine activity*
- Naturally supports estrogen and testosterone*
- Promotes drainage and detoxification*

PRODUCT DESCRIPTION

Balanced hormones are a major key to feeling well, and taking a daily natural hormone support supplement like S-TRO can help the body maintain that balance.*

S-TRO contains a proprietary blend of adaptogenic herbs — including ashwagandha root, astragalus root extract, maca root, Masson pine pollen, and turmeric root — to support healthy estrogen and testosterone levels in both men and women.* In also supporting the endocrine system, S-TRO helps the body manage stress, plus offers support throughout periods of natural hormonal fluctuations.*

LABEL INFORMATION

Directions: Take 2 capsules twice daily or otherwise directed by a healthcare practitioner.

WARNING: Please consult your healthcare practitioner before use if you are pregnant, breastfeeding, or considering use for a child.

KEEP OUT OF REACH OF CHILDREN.

WARNING: Consuming this product can expose you to chemicals including lead, which is known to the State of California to cause birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov/food.

*These statements have not been evaluated by the Food and Drug Administration. These products are not intended to diagnose, treat, cure, or prevent any disease.

The adaptogenic herbs, combined with Carbon Technology, support the body's ability to detoxify in its natural drive for balance and wellness.* This product can be taken at any life stage (aside from pregnancy and breastfeeding) to encourage optimal hormonal balance.* Additionally, it can help promote the following for both men and women: bone density, fertility, healthy libido, healthy metabolism, improved digestion, mood support, normal adrenal response, and skin health.*
